

ARE YOU READY FOR YOUR CAREER

Get Career Ideas

CAREER TOOLS

Whatever age or stage you are at, exploring different careers available might help you find a job, plan your future career or transfer the skills you have now into new jobs.

Learn and Train

COURSES & STUDY

Study can help you get the job you want or extend your skills in a career you already have.

Get Job Ready

RESUMES & JOB SEARCHES

Job hunting can be daunting, but the simple key to success is to learn about the jobs you are applying for, understand your skills, and make sure your résumé has the information employers are looking for.

Work Support

ASSISTANCE

Support services are available to help you find employment, manage your own wellbeing and look after your rights. Find out if you are eligible for any of the programs and payments available for people seeking to study or work.

School Leavers Support

GUIDANCE

What's next for you? Know your opportunities when you leave school. Access the School Leavers Information kit and free access to professional Career Counselling for 15-24yr olds.
