

The South East VET Cluster 2020

What are VET Programs?

Vocational Education and Training in Schools (VET) programs broaden the range of study options available to senior secondary students. VET programs enable young people to undertake general and vocational studies.

What do VET Programs Offer?

- A **NATIONALLY RECOGNISED** vocational certificate with credits built in just like other subjects.
- counts towards the VCE & VCAL Certificate
- can contribute to the ATAR or study score
- Allows students to gain the VCE or VCAL and a VET qualification
- Develops general work related competencies ie, skills in communication, team work, using technology, problem solving, using mathematical ideas and concepts, planning and organising activities, gathering and analysing information and occupational health and safety

- Training in a specific industry area
- An opportunity to put your knowledge and skills into practice in a simulated or actual workplace environment known as Structured Workplace Learning.
- A nationally recognised qualification which will provide access to further training
- Improves your chances of getting work when you finish school.

How to apply for a VET Program?

To apply for a VET program listed in this brochure, you need to communicate with the VET Coordinator at your school who will log on to the South East VET Web Portal at www.sellen.org.au and click on the 'VET Web Portal' button.

The South East VET Cluster

The South East VET Cluster consists of 40 representatives from Government Schools, Catholic Schools, Independent Schools, Special Schools, private RTO's and TAFE.

The cluster meets on average about seven times in an academic year.

The South East VET Cluster works together to make VET courses more accessible to young people helping them to make better choices when selecting a career pathway. Young people can choose from over 36 different VET courses at 17 locations in the South East region.

Applications for VET courses are made via the South East VET Web Portal.

The South East VET Cluster is proudly supported by the South East LLEN.

For further details regarding the VET program visit the South East LLEN website.
